TRANSPORTATION SYSTEM PLAN UPDATE

Consultant Susan Wright from Kittelson & Associates walked through Technical Memos 10 and 11. Memo 10 provided potential solutions to address the existing and future transportation system needs within the City, and Memo 11 provided the list of projects and programs recommended to address those needs, how they are ranked and the evaluation criteria. Next steps: Take input from the all the meetings that have been held and put together a draft plans that will be reviewed over the summer by city staff. In the fall, community meetings, planning commission and council work sessions will be held before adopting the plan.

Gail Curtis of ODOT provided additional information on Willamette Falls Drive and Highway 43.
